

Associated Academia

HASETRI acts as a bridge between academic and industry. Some of the areas where HASETRI is involved are:

- Jointly running an M.Sc. Course in Polymer Science and Rubber Technology with Mohanlal Sukhadia University, Udaipur and JK Tyre & Industries Ltd.
- Technical manpower development through the Indian Rubber Institute (IRI), organizing refresher courses for industrial personnel.
- Sponsored Research Programme with IITs and other leading universities for M.Tech. and Ph.D. programmes.
- Jointly conducting National and International Rubber Conferences with IRI.
- Association with BIS and ISO for test method development related with rubber and allied industries.
- Conducts Short Term Courses on Rubber Science & Technology and related matters in pursuance of its objective of technical manpower development and customized training at different locations of India.

NATIONAL AND INTERNATIONAL BODIES

National:

- Bureau of Indian Standards (BIS)
- Confederation of India Industries
- Automotive Tyre Manufacturer's Association (ATMA)
- Automotive Research Association of India (ARAI)
- Indian Rubber Institute (IRI)
- All India Rubber Industries Association (AIRIA)
- Rubber, Chemical and Petrochemical Skill Development (RCPSDC)
- Indian Institute of Technology(IIT) Kharagpur
- Indian Institute of Technology(IIT) Madras
- Indian Institute of Technology(IIT) Delhi
- Mohanlal Sukhadia University(MLSU), Udaipur
- University of Calcutta
- Vidya Bhawan Polytechnic, Udaipur
- JSS Science & Technology University, Mysore

International:

- American Chemical Society, Rubber Division, USA
- ISO/TC45 Rubber Technical Committee, Geneva, Switzerland
- American Standard Testing Materials (ASTM)
- IPF Dresden, Germany
